Super Man

I am an artist from the planet Krypton. My main source of inspiration is the sun, the main object of my artwork.

Album 1

Picture 1

Description

I painted this from memory. This was the day I punched Lex Luthor so hard he lost all his hair.

Picture 2

Description

Oil canvas with three colors: Red, yellow and black. This painting represents how much I love the yellow sun and the red sun.

Album 2

Picture 1

Description

I painted this from memory. This was the day I punched Batman so hard he forgot his real name.
